

# Community, Connection & Hope

## Recalibration Lab's First Community Picnic

August 1, 2026 • Jewel Lake Park • Anchorage, Alaska

On August 1, 2026, families, volunteers, and community members gathered at Jewel Lake Park for food, fellowship, encouragement, and meaningful connection. We are deeply grateful to everyone who helped make the day possible and to each person who stopped by to learn more about our mission. Recalibration Lab's first community picnic was a beautiful reminder of what can happen when people come together with open hearts.

# The Story of the Picnic

The picnic welcomed approximately 80–100 people, including children, families, volunteers, and members of the community. Guests enjoyed food, conversation, and a warm atmosphere where they could learn more about Recalibration Lab and the support we hope to provide. More than 20 people voluntarily shared their contact information so they could stay connected and learn about future programs. What began as a simple gathering became a meaningful opportunity to build relationships, offer encouragement, and remind people that they are not alone.

# Thank You for Helping Us **Serve**

We give thanks to God for making this gathering possible and for every person He brought together. To our volunteers, families, community members, prayer partners, and supporters—thank you for giving your time, resources, encouragement, and love. Your willingness to serve helped create a welcoming space where people could connect, feel valued, and experience the love of Christ. We are grateful to walk alongside you as we continue helping individuals and families reframe, restore, and rejoice.

## More Than a Picnic

This gathering was made possible by a dedicated group of volunteers who gave their time, energy, and hearts to serve others. From preparing food and welcoming guests to offering encouragement and helping families feel included, each volunteer played an important role in creating a warm and meaningful experience. The picnic was more than a community event—it was a reflection of teamwork, compassion, and a shared desire to remind people that they are seen, valued, and not alone.

“Every meaningful connection reflects the heart of Jesus where we are seeing people, serving them with compassion, and reminding them that they are deeply loved by God. Our prayer is that Recalibration Lab will be a place where faith is strengthened, lives are restored, and no one has to walk through life feeling alone.”

— Von Revilla Douglas  
President & Founder, Recalibration Lab, Inc.

## What We Offer

- Free faith-based life coaching
- Non-medical counseling and support
- Mentoring and discipleship
- Youth and leadership development
- Group support sessions
- Community outreach programs
- Workshops and educational activities
- Prayer, encouragement, and connection

# This Is Only the Beginning

## What's Next: Share a Recalibration Moment

We're inviting members of our community to submit a 30-second to 1-minute Recalibration Time video for possible posting on the Recalibration Lab Facebook page.

Share a relatable situation, a short Bible verse, and a Christ-centered reminder that can help someone pause, renew their mind, and respond with faith. Keep it simple, natural, and encouraging. Your message may be exactly what someone needs to hear.

Watch a sample and follow Recalibration Lab on Facebook:

## Take the Next Step

You do not have to walk through life alone. Whether you are seeking encouragement, personal growth, faith-based support, or a place to serve, Recalibration Lab is here to walk alongside you. Connect with us, join an upcoming session, volunteer, partner with our mission, or share a Recalibration Time video. Every step toward renewed thinking, restored hope, and deeper faith matters.

## Reframe • Restore • Rejoice

Recalibration Lab, Inc. is a faith-based 501(c)(3) nonprofit serving individuals and families through free, donor-supported programs.
